Honor gave an admirable charge to the Grand Jury. He called special attention to the game and fish laws, and very strongly advised to the depositions committed in Bellevue. It is certainly a disgrace to our county to have such a state of things exist in our midst. Property is maliciously destroyed, and people are bolded until they are afraid to try and punish the offenders. There is certainly law enough in Iron county and honest and law-abiding people enough to enforce the law to correct this state of things.

The Judge also reverted in very strong terms to the practice of carrying concealed weapons, and urged the duty of the Grand Jury to take cognizance of all such cases coming within their knowledge. The instructions as a whole were very able, forcible and needful, and Judge Thomas is entitled to the thanks and the aid of every law-abiding citizen in carrying out the provisions of the statute to their legitimate conclusion: the arrest and conviction of all offenders, regardless of place, power or position in the community.

SUNDAY OF ARKADY, October 18, 1881.

Mister Ake—

I have been wanting to write to you for some time, but I have been so busy that I could not find time. I am now in the city and I am very well. I am now in the city and I am very well. I am now in the city and I am very well.

The Suburbs are flourishing, with the exception of the one named after the late Mayor. The Suburbs are flourishing, with the exception of the one named after the late Mayor. The Suburbs are flourishing, with the exception of the one named after the late Mayor.

The Kurnel's watermelon patch has gone into winter quarters. The Kurnel's watermelon patch has gone into winter quarters. The Kurnel's watermelon patch has gone into winter quarters.

We fear the Suburbs will miss the hoop factories under the management of Mr. Dickson; but, as we are sure Mr. Fletcher took control of the same, we are sure it will be all right.

Resolved, That in the death of Sister Denny this Lodge and the Craft have sustained a great loss; and we shall miss from our meetings a beloved and worthy member, who has in her life illustrated and typified all the virtues and principles which it is the object of our order to inculcate and advance.

That in token of our grief at the loss of our departed sister, we will wear the usual badge of mourning for thirty days.

That the Secretary furnish a copy of the above to the family of the deceased, and a copy for publication in the county paper; and have them copied on the records of this Lodge.

Mrs. Annie Todd, Miss Rachel Price, Mrs. Maggie Carline, Committee.

A Wise Deacon.

"Deacon Wilder, I want you to tell me how you kept yourself and family well the past season, when all the rest of us have been sick so much and have had the doctors visiting us so often?"

"Brother Taylor, the answer is very easy. I used Hop Bitters in time. I kept my family well and saved the doctor bills. Three dollars' worth of it kept us well and able to work all time. I'll warrant it has cost you and the neighbors one to two hundred dollars apiece to keep sick the same time."

"Deacon I'll use your medicine hereafter."

The Outlook says that there will be a meeting of the citizens of Reynolds county at the Court House in Centreville next Saturday for the purpose of electing delegates to attend the meeting of the directors of the stockholders of the Chester, Iron Mountain & Western Railway Company, to be held in St. Louis on the 19th of November.

The object of the meeting is to send delegates who will properly represent the railroad interests of Reynolds county.

Dr. J. W. Gibson, of Ark., writes: "For many years my wife was a sufferer from a terrible female complaint that baffled the skill of all physicians around me. There seemed no hope for her. I was made acquainted with the composition of Dr. Dromgold's EXHAUSTIVE FEMALE BITTERS, and knowing them to be good, I procured several bottles and placed her upon its use. They cured her sound and well, and I do not hesitate to say they saved her life."
